

AT&T's takeover of T-Mobile would stifle choice and innovation in the market, harm consumers, and lead to higher prices and fewer jobs nationwide. Don't let AT&T put our mobile future at risk. Please stand with me and reject such reckless consolidation of the mobile industry.

I am currently a T-Mobile customer, and DO NOT want to be an AT&T customer. Please stop this merger, and let me keep the positive customer service I've received so far from T-Mobile.
