Re: Special Access Rates for Price Cap Local Exchange Carriers, WC Docket No. 05-25

Dear Ms. Dortch:

On May 24, 2011, Charles McKee and Chris Frentrup of Sprint Nextel Corp. (Sprint) and the undersigned met with Andrew Mulitz, Betsy McIntyre, Deena Shetler, Albert Lewis, and Eric Ralph of the Wireline Competition Bureau, on the topic of special access reform. We discussed the need for near-term action on special access reform, the timing of a data request on price and cost issues, the role of terms and conditions on special access competition, and the arbitrariness of the existing pricing-flexibility triggers. Pursuant to the Commission's rules, a copy of this notice is being filed electronically in the above-referenced docket. If you require any additional information please contact the undersigned.

Sincerely yours,

/s/ Paul Margie
