

I'm a customer of both AT&T and T-Mobile, and I would leave AT&T if I could but it's the only broadband Internet provider in my area. I've had service problems for years with AT&T. I believe that's because they are the sole provider where I live, so they know we consumers have no alternatives.

AT&T's takeover of T-Mobile would stifle choice and innovation in the market, harm consumers, and lead to higher prices and fewer jobs nationwide. Don't let AT&T put our mobile future at risk. Please stand with me and reject such reckless consolidation of the mobile industry.

This is really important.

Thank you.
