Re: United States Cellular Corporation  
Docket No. GN 09-51  
Docket No. WC 05-337  
Docket No. CC 96-45

Dear Ms. Dortch:

In accordance with Section 1.1206 of the Commission's rules, 47 C.F.R. § 1.1206, we hereby provide you with notice of an oral ex parte presentation in connection with the above-captioned proceedings. On May 26, 2011, Grant Spellmeyer, Senior Director – Legislative & Regulatory Affairs of U.S. Cellular spoke by phone with Zac Katz, Legal Advisor for Wireline, International and Internet Issues.

During the course of that discussion, U.S. Cellular advocated that the Commission adopt a looking cost model for the distribution of support under the proposed Connect America Fund. U.S. Cellular expressed its opposition to the proposed five-year phasedown of existing CETC support and argued consistent with proposals in the National Broadband Plan for a 10 year phasedown or in the alternative for a more graduated phasedown. U.S. Cellular also expressed its intention to file details surrounding a proposed wireless cost model during June of 2011.

Sincerely,

/S/

Grant B Spellmeyer, Esq.  
Senior Director – Legislative & Regulatory Affairs

CC: Zac Katz, Esq.
