

Who would want a race involving two thoroughbreds and a bunch of sheep, burros, and warthogs? Competition is good! Block that merger! And while you are at it, keep the internet a level field too. AT&T's takeover of T-Mobile would stifle choice and innovation in the market, harm consumers, and lead to higher prices and fewer jobs nationwide. Don't let AT&T put our mobile future at risk. Please stand with me and reject such reckless consolidation of the mobile industry.
