**Re: *Ex Parte*, WT Docket No. 10-4**

Dear Ms. Dortch:

Wireless Extenders, Inc. ("Wi-Ex"), via its counsel, hereby submits this *ex parte* letter in the above-captioned proceeding in support of the joint motion for extension of time filed by Verizon Wireless and Wilson Electronics, Inc. on June 16, 2011.

Wi-Ex believes that well-designed boosters benefit wireless carriers, booster manufacturers, and of course consumers. Accordingly, we support an extension of time to file comments in the above-captioned proceeding if it helps produce a consensus position on how best to accommodate the concerns of carriers and manufacturers. Wi-Ex firmly believes that the Commission's approach should allow boosters with appropriate safeguards to be sold without requiring prior approval from carriers, and stands ready to comment on any proposal that arises out of discussions between Verizon Wireless and Wilson Electronics.

Please direct any questions regarding this matter to the undersigned.

Respectfully,
