Re: GN Docket 11-65

Dear Chairman Genachowski and Commissioners:

The purpose of this correspondence is to request your support for the AT&T's acquisition of T-Mobile USA.

AT&T has been active in its support of educational access and opportunities to all children in urban and rural areas of Tennessee. This merger will allow AT&T to enhance the support for jobs and economic development in Shelby, Tipton and Fayette counties.

As president of the only historically black college in the tri-county area, it is without reservations that I support the AT&T T-Mobile acquisition.

Sincerely,

A handwritten signature in black ink that reads 'Johnnie B. Watson'.

Johnnie B. Watson
President
