RE: Notice of Oral *Ex Parte* Communication  
MM Docket No. 99-25

Dear Ms. Dortch:

This notice is submitted in compliance with Section 1.1206(b) of the Commission's Rules.

On Wednesday, June 29, 2011, Andrew Jay Schwartzman and Christine Konczal of Media Access Project, and Brandy Doyle of Prometheus Radio Project met with Joshua Cinelli, Media Advisor to Commissioner Copps, and two of Commissioner Copps' interns, Burcu Baykurt and James Bangasser, regarding Docket No. 99-25.

Mr. Schwartzman and Ms. Doyle discussed the history of the LPFM service and the circumstances surrounding the translator window which was opened in 2003, as well as the effect of the of the passage of the Local Community Radio Act of 2010 (P.L. 111-371) on LPFM and translator applications. They supported replacing the 10 application cap on translator applications currently in effect with a market by market analysis. They urged that any market by market floor on LPFM applications be made as high as possible.

With respect to the timing of any application windows, Mr. Schwartzman and Ms. Doyle asked that the Commission take the needs of grassroots organizations into account to insure that there is adequate opportunity for public education and planning.

Mr. Schwartzman and Ms. Doyle also expressed a willingness to consider allowing AM stations to apply for FM translators.

Respectfully submitted,

A handwritten signature in black ink, appearing to read "Andrew Jay Schwartzman".
