Federal Communications Commission  
Chairman Genachowski  
445 12<sup>th</sup> Street SW  
Washington, DC 20554

Dear Chairman Genachowski:

I have known Reese Butler for five years and have had the pleasure of working with him on interventions, music tours, and advocacy efforts in the name of suicide prevention. In all the years of his leadership building and running the National Hopeline Network 1-800-SUICIDE, I have always found him to be responsive to the needs of the crisis centers, the callers and the suicide prevention community.

I have faith and confidence in his ability to run and manage the Hopeline Network. I support the FCC returning the toll free numbers 800-SUICIDE, 888-SUICIDE and 877-SUICIDA to the Kristin Brooks Hope Center.

If you would like any further information from me, you may contact me at 513-889-3963 or 513-290-0801.

Sincerely,

A handwritten signature in cursive script that reads "Shannon S. Golden".
