Closed Captioning Compliance Statement

Enlightenment with Colby Heard is requesting that the broadcast by the Station of our weekly, locally viewed, television program be exempt from the closed captioning requirements of the Federal Communications Commission (47 CFR § 79.1) under the § 79.1 (d) (8) exemption for "locally produced and distributed non-news programming with no repeat value" because the weekly program.

- Is not news programming;
- Is of specific local interest to residents of the Station's service area;
- Is not repeated or redistributed; and
- Is not scripted so that the electronic newsroom closed captioning would be unavailable.

If there is any change in the above information, we will provide immediate written notice to the Station.
