RE: Ex Parte Notice: CG Docket No. 10-51

Dear Ms. Dortch:

On July 14, 2011, I met with Gregory Hlibok, Chief, Disability Rights Office (DRO), Diane Mason and Eliot Greenwald of DRO and Michael Jacobs of the Consumer & Governmental Affairs Bureau. The Commission's Further Notice of Proposed Rulemaking on the certification process and reporting of substantive changes and service outages was discussed with respect to a balance of the Commission need to provide effective oversight, the relevancy of certain information, the availability of Commission resources and the administrative burdens placed on providers. I reaffirmed CSDVRS' support of the licensed or subscribed use of the technology platform of an eligible provider.

Sincerely,

/s/

Jeff Rosen
