

Also make a section that list actual local, state and federal legitimate taxes...often times there are various taxes added on and you think that they are the same.

Here is a list of the various taxes and fees that I pay on my AT&T bundled account for a landline home phone, 2 cell phones, U-Verse Internet and U-Verse TV:

1. NC County Sales Tax-2X, what county?
2. NC State Sales Tax-2X.
3. NC State Telecommunications Sales Tax-4X.
4. NC State 911 Service Fee-1X.
5. 9-1-1 Service Fee-2X.
6. Federal Universal Service Fund-3X.
7. Regulatory Cost Recovery Charge-2X
8. Telecom Relay Service Fund-2X.

Total cost on my most recent bill for all these charges are \$44.59 or 10.33% of my bill.

What is a legitimate tax? I have no true way of knowing because they will also often just change the name of the tax or charge.

Maybe this should be brought under the Consumer Protection Agency as well.
