Dear Ms. Dortch:

Winnebago Cooperative Telecom Association ("Company") is a provider of CMRS service in conjunction with Iowa Wireless Services, LLC ("iWireless"). In conjunction with iWireless, we have chosen to deploy a network-based location technology for E911 service.

Pursuant to Section 20.18(h) of the FCC's Rules, and as specified in Paragraphs 7-16 of the Wireless E911 Location Accuracy Requirements *Order*, DA 11-1125 (*rel.* June 28, 2011), we hereby notify the Commission, the Association of Public-Safety Communications Officials-International, Inc. (APCO), the National Emergency Number Association (NENA) and the National Association of State 9-1-1 Administrators (NASNA) that exclusion information for our Company is being provided in a blanket report to be filed by iWireless.

Please contact Cary Mitchell of Blooston Mordkofsky Dickens Duffy and Prendergast, LLP at (202) 828-5538 with any questions.

Respectfully submitted,
