Re: Amendment of Parts 1, 22, 24, 27, 74, 80, 90, 95, and 101 To Establish Uniform License Renewal, Discontinuance of Operation, and Geographic Partitioning and Spectrum Disaggregation Rules and Policies for Certain Wireless Radio Services (WT Docket No. 10-112) – NOTICE OF ORAL EX PARTE PRESENTATION

Dear Ms. Dortch:

We are writing pursuant to Section 1.1206(b)(2) of the Commission's Rules to advise the Commission that earlier today the undersigned, representing the WCS Coalition, met with Amy Levine, Special Counsel and Legal Advisor to Chairman Julius Genachowski, to discuss certain issues raised by the *Notice of Proposed Rulemaking and Order* in the above-referenced proceeding.¹

During the course of the meeting, we discussed the rather unique situation faced by Wireless Communications Service ("WCS") licensees in the 2.3 GHz band. We emphasized that while the Commission in WT Docket No. 07-293 has recently adopted significant changes to the WCS rules, continued uncertainty given the conditional nature of recent WCS license renewals under the interim processing procedures set forth in Paragraphs 112 and 113 of the *NPRM and Order* has made it difficult for licensees and potential lessees or assignees to move forward with investment in the band. Thus, we urged that the Commission move expeditiously to adopt a two-step renewal process and to fully implement the plan set forth in the *NPRM and Order* for addressing the renewal of 2.3 GHz band WCS licenses. We also suggested on behalf of the WCS Coalition that the Commission bifurcate those issues from the others presented by the *NPRM and Order* if necessary to provide WCS licensees rapid relief.

¹ Amendment of Parts 1, 22, 24, 27, 74, 80, 90, 95, and 101 To Establish Uniform License Renewal, Discontinuance of Operation, and Geographic Partitioning and Spectrum Disaggregation Rules and Policies for Certain Wireless Radio Services, *Notice of Proposed Rulemaking and Order*, 25 FCC Rcd 6996 (2010)[the "*NPRM and Order*"]. In recognition of the debate regarding the nature of the *Order* in this proceeding, the WCS Coalition did not address any of the issues raised by the petitions for reconsideration of the *Order*.
