My name is Wanda Vineyard. I am so proud to have spent my whole life in rural America. I have lived, worked and raised a family here. I am currently responsible for the Carrier Access Billing, help with customer service, complete various FCC, PUC, NECA, and monthly reports to our Board of Directors at Mid-Plains Rural Telephone Cooperative, Inc. My husband, Buddy, and I have been married for 36 years and he has managed cotton gins for more than 35 of those years. We have two children. Our daughter Lisa is 30 years old and is married to Jason, 34 years old, and they are the proud parents of our one grandchild, Davis, who just turned 1. She is a medical equipment representative and Jason is self-employed as an advertising consultant. Our son, Jim, is 28 years old and is married to Jennifer, also 28 years old.
