In the Matter of

Wireless E911 Location Accuracy
Requirements

PS Docket No. 07-114

AFFIDAVIT OF MARK McDIARMID

Affiant hereby states as follows:

1. My name is Mark McDiarmid. I am Vice President (“VP”) of Radio Network Engineering and Development for T-Mobile USA, Inc. (“T-Mobile”). I have been employed at T-Mobile for seven years. My business address is 12920 SE 38th St, Bellevue, Washington 98006 and my business telephone number is 425 442 4443.

2. This affidavit is intended to support T-Mobile’s Exclusion Report as required under the Commission’s *E911 Location Accuracy Second Report and Order* in the above-captioned docket. I am the contact person having chief oversight responsibility for monitoring the overall status of location accuracy compliance under the Commission’s Rules, Section 20.18(h). I am familiar with the requirements in the *Second Report and Order* as well as with the facts attested to in the Exclusion Report.

3. As of the time of this Exclusion Report, T-Mobile is using network-based location technologies.

4. Those counties or portions of counties that are listed in the Exclusion Report are excluded because of insufficient quantity, density, and/or geometry of cell sites in those areas to support network-based triangulation.

I declare under penalty of perjury under the laws of the United States of America that the foregoing is true and correct to the best of my information and belief.
