Choice Wireless E911 Exclusion Report

Choice Wireless, by its attorneys and pursuant to the FCC's Second Report and Order (FCC 10-176) in the above-captioned proceeding, as a wireless carrier employing a network-based E911 solution, hereby provides a list of the areas where it is utilizing the exclusion from compliance with Phase II accuracy requirements for particular counties, or portions of counties, where triangulation is not technically possible. Triangulation is not technically possible in the counties and portions of counties described in Appendix A attached hereto.

Respectfully submitted,

Choice Wireless
