

Please accept my comments and thoughts on changes to the GMRS:

- 1 Allow scrambling on the Personal Radio Service
- 2 Require you must be 16 years old to submit a license request
- 3 Extend the GMRS license renewal requirement from 5 years for life
- 4 Make the GMRS license fee \$50.00 for a lifetime filing.
- 5 Allow all persons at the same address/household to operate under one GMRS license
- 6 Keep the ERP for GMRS handheld radios at 5 Watts
- 7 Allow the ERP for FRS radios the same as GMRS
- 8 Keep the ERP for mobiles, bases and repeaters at 50 Watts out of the transmitter
- 9 Do not regulate the height of GMRS antennas
- 10 Allow use of Part 90, 97 radios for the GMRS band
- 11 Allow digital modulation on the GMRS band
- 12 Do not allow for profit businesses to use the GMRS band
- 13 There is actually a need for the GMRS – please allow that service to continue
- 14 Do not subject GMRS to the narrowband requirement
- 15 Citizens Band Radios allow FM operations
- 16 Citizens Band Radios allow ERP of 25 watts
- 17 Allow for FRS/GMRS/CB/part 97 combination radios
