Re: Ex Parte Communication – WT Docket 11-65 (AT&T/T-Mobile)

Dear Ms. Dortch:

On behalf of MetroPCS Communications, Inc. (“MetroPCS” or “Company”), and pursuant to Section 1.1206 of the Commission’s Rules, 47 C.F.R. § 1.1206, this is to provide notice of an *ex parte* telephone conference call held on June 29, 2011 in connection with WT Docket No. 11-65. Attending the call on behalf of MetroPCS were Michelle Johnson, Kevin Nelson, Mark Parrott, Garreth Sarosi, Terri Smith, Steven Patterson, and Alice Zhang, at MetroPCS, and Kimberly A. Lacey and the undersigned outside counsel to the Company (the “MetroPCS Representatives”). The MetroPCS Representatives talked with Paul Lafontaine, Charles Mathias, Joel Rabinovitz, and Susan Singer, of the Commission’s Office of Strategic Planning and Policy Analysis, Wireless Telecommunications Bureau, and Office of General Counsel, respectively (the “FCC Representatives”).

The purpose of the call was to discuss questions regarding Highly Confidential data previously submitted by MetroPCS in response to the Information and Discovery Requests for Third Parties issued by the Commission to MetroPCS in the above-referenced matter on June 6, 2011 and supplemented on June 27, 2011 (“Data Requests”). Specifically, the FCC Representatives requested clarification regarding certain of the Highly Confidential market level subscriber data, network quality data, device sales, porting data and billing data previously provided by MetroPCS in response to the Data Requests. A summary of the clarifications provided during the call is attached hereto and designated as Highly Confidential information.
