

I am forced by some law to receive my local TV news from Joplin, MO. Joplin is approx 125 miles east of my home. I do not have any interest in what is happening in Joplin, let along the state of Missouri. What I don't understand is, if I am paying for my TV service, then I should be able to pick and choose the stations I want to receive. What really ticks me off that this arrangement is based upon the Neilson Company, which is a foreign owned business. This is a bunch of Meadow Muffens.
