Re: WT Docket No. 11-18

Dear Ms. Dortch:

QUALCOMM Incorporated (“QUALCOMM”), by its attorneys, hereby submits its third partial response (“Third Partial Response”) to the Federal Communications Commission’s (“FCC”) May 20, 2011, General Information Request Regarding the AT&T/QUALCOMM Transaction in the above-referenced proceeding (“Request”), pursuant to the First and Second Protective Orders (“Protective Orders”) entered in this proceeding.<sup>1</sup> This Third Partial Response supplements QUALCOMM’s responses submitted on June 10 and July 1, 2011 (“First and Second Partial Responses”).

This Third Partial Response reflects communications QUALCOMM had with FCC staff concerning the manner in which QUALCOMM proposed to reply to the Request. These communications concerned QUALCOMM’s understanding of the questions, definitions, and instructions in the Request, the manner in which QUALCOMM keeps the data requested, and the manner in which QUALCOMM searched for and produced this data. These discussions related to and are reflected in the documents provided in this Third Partial Response.

QUALCOMM has taken reasonable efforts to search for, identify, and produce documents and information responsive to the Request and to otherwise respond to the Request consistent with the breadth of the Request and the period of time provided for response. The documents provided in this Third Partial Response are those maintained in the ordinary course of QUALCOMM’s business. The documents provided in this Third Partial Response were collected using the process described in CONFIDENTIAL Exhibit 1 and CONFIDENTIAL Attachments A and B to Exhibit 1.
