Reconsideration (FCC 11-116), released on July 22, 2011. As explained in the supplement, this order has particular bearing on the participation motion under consideration by the Presiding Judge. The order was unavailable at the time the participation motion was filed, having been released only this past Friday. The brief supplement is therefore fully warranted.

WHEREFORE, it is requested that leave be granted and that the supplement be accepted for filing in this proceeding.

Respectfully Submitted,
