Re: Letter of Appeal of Administrator's Decision on Appeal for funding Year 2008, issued October 17, 2008. Ref: CC Docket No. 02-6

Dear Sir or Madam:

I am submitting this letter of appeal regarding denial of E-rate FY 2008 for all funding requests associated with 471 application 625470, on the grounds that, the Program Integrity Assurance (PIA) Reviewer did not properly review the Free & Reduced documents submitted on April 2, 2008 during the PIA review.

Appellant Name:	Erate Exchange, LLC
Applicant Name:	Bonnie Brae Educational Center School
471 Application Number:	625470
Billed Entity Number:	8314
FRN:	1725445, 1725458, 1725469, 1725480, 1725487, 1725498

SLD Explanation for denial of FCDL: "The site-specific discount was reduced to a level that could be validated based on third party data." The issue in this case boils down simply to this: The denial of funding was based on an administrative error regarding Free & Reduced Eligibility. Since this school does not participate in the National School Lunch Program (NSLP) we supplied a written letter signed by the school official.

SLD Explanation of Appeal Denial: " Our records show that your appeal was post marked more than 60 days after the date your FCDL was issued.

Given that the denial of funding in this case was based on merely an administrative error during PIA, the Parties respectfully request that the SLD process this Letter of Appeal and approve the funding commitment for Bonnie Brae Educational Center School. The denial of funding for an administrative error places a particular hardship on a school district such as Bonnie Brae Educational Center School that otherwise should have been approved for and received E-rate funding for its application.

We respectfully request that you overturn the denial and restore full funding of these FRN's.

Thank you for reviewing this appeal. Please use the contact information below.
