RE: Ex Parte Notice: CG Docket No. 10-51

Dear Ms. Dortch:

On August 8, 2011, I met with Gregory Hlibok, Chief, Disability Rights Office (DRO) and Diane Mason, DRO. The Commission's recent second order related to the new rules for certifying Internet-based Telecommunications Relay Service was discussed as it relates to IWRelay's pending Application. Its move to own and lease its core call center functionality last year, IWRelay has demonstrated its support of the Commission's recent orders expressing the intent that VRS providers be self-sustaining and independent in all regards.

Sincerely,

/s/
