Ms. Marlene H. Dortch  
Federal Communications Commission  
445 12th St. SW  
Washington, DC 20554

Dear Ms. Dortch,

I wish to comment on IB Docket No. 11-109 because I want the FCC to support LightSquared in its plans to build a new 4G wireless broadband network. I understand that the GPS industry believes these plans will interfere with its devices, but LightSquared has offered several solutions to this industry on several occasions. Therefore, LightSquared's plans should be approved.

Kindest Regards,

A handwritten signature in black ink, appearing to read "Miguel Martinez". The signature is written in a cursive, flowing style.
