SECOND MOTION TO CONTINUE

This case is published on the internet at www.k1man.com/d6

1. Glenn A. Baxter, P.E., K1MAN, hereby states that he is currently defending an FCC Forfeiture Order in Federal District Court for the District of Maine (see www.k1man.com/d6) where the issues there are virtually identical to the issues alleged in the instant proceeding.
2. The Court has removed this case from the trial list since there is an FCC Motion For Summary Judgment, still not ruled upon by the court as of today's date.
3. An adverse ruling by the court against your applicant regarding the Motion For Summary Judgment would be appealed, and a favorable ruling would require to put the case on the next available jury trial list followed by a jury trial, all of which cannot be concluded by September 7, 2011, which is the current date set for the FCC administrative hearing in the instant matter.

4. Your Applicant therefore requests that the September 7, 2011 FCC administrative hearing be continued.
5. In the alternative, your applicant hereby notifies the Administrative Law Court that he will appear in that court on the specified date, 7 September 2011.
6. Or, in the alternative, your applicant requests a summary administrative decision and a recommendation to the FCC to renew applicant's K1MAN license.
