Re: Refiled Comments of the Alaska Rural Coalition

Dear Ms. Gillett:

On August 24, 2011, the Alaska Rural Coalition ("ARC") filed comments responsive to the August 3rd Further Notice of Inquiry. Although we received a confirmation of our comments, some sort of electronic glitch occurred and the actual document does not appear on the FCC website.

After discussing the issue with staff, we have refiled the comments today, emailed our comments to the Alaska companies also commenting on the issue and will attach the comments to our Reply Comments.

We appreciate the assistance of staff to resolve our issue and respectfully request that the Commission accept our comments.

Sincerely,

Shannon M. Heim
