Motion for Extension of Time

Marlene H. Dortch
Secretary
Federal Communications Commission
445 12th Street, SW
Washington, DC 20554

Re: Development of Nationwide Broadband Data to Evaluate Reasonable and Timely Deployment of Advanced Services to All Americans, Improvement of Wireless Broadband Subscriberhip Data, and Development of Data on Interconnected Voice over Internet Protocol (VoIP) Subscriberhip, WC Docket No. 07-38

Dear Ms. Dortch:

Pursuant to section 1.46 of the Commission's rules, 47 C.F.R. § 1.46, Verizon Business respectfully requests an extension of time of 5 business days, until September 9, 2011, to submit FCC Form 477 ("Local Competition and Broadband Reporting Form"), currently due on September 1, 2011. As a result of the recent work stoppage at Verizon and the need to temporarily reassign management employees to directly serve Verizon's customers, the brief extension of time is necessary to complete the internal process of compiling, and confirming the reliability of, data relied upon by the Commission to determine the extent of local telecommunications competition and deployment of broadband services.

This brief extension will not prejudice any other provider subject to the Form 477 filing requirement. Please let me know if you have any questions.

Sincerely,

A handwritten signature in black ink, appearing to read "Ann D. Berkowitz".
