RE: Petition for Reconsideration and Review
DA 11-1240, July 27, 2011
Funding Year 2009
Form 471 #: 666699
FRN: 1820367
Arkansas Department of Information Systems
Entity Number: 157107

CC: 02-6

Dear Sirs:

The Arkansas Department of Information Systems (DIS) respectfully requests the Federal Communications Commission review and reconsider the decision rendered July 27, 2011 DA 11-1240 which denied funding to the State of Arkansas. The decision rendered in DA 11-1240 results in a loss of E-rate funding for the Arkansas Department of Education in the amount of \$402,046.47. This decision by the FCC referenced a ministerial or clerical error in Form 486. The error was that the start date 07/01/2010 was entered instead of 07/01/2009. The FCC ruling was that the appeal filed by the State of Arkansas to the Commission was not filed within 60 days as required by Section 54.719 (C) of the Commission's rule

The State of Arkansas requests a reconsideration and review for the following reasons:

1. The State of Arkansas has simultaneously filed with this petition a request for waiver of the appeal filing deadline because of extenuating circumstances. The FCC decision stated that the State of Arkansas had 60 days from the October 27, 2010 Form 486 Notification Letter within which to appeal.
2. There was no notice to the State of Arkansas that a problem existed with the Form 486 within 60 days after receipt of the Form 486 Notification Letter dated October 27, 2010. The mistake made by the State of Arkansas on the Form 486 was a ministerial or clerical error within the guidelines of the Bishop Perry Order released May 19, 2006.
3. The State of Arkansas did file an appeal within 60 days after the first notification from the USAC that there was a problem with the service start date reflected in the Form 486.

The State of Arkansas has filed a request for waiver of the 60 day deadline due to a series of personal extenuating and special circumstances that impacted the Strategic Funding Program Manager during the processing time for application 666699 Funding Request Number 1820367

Form 486. The waiver should be granted and the State of Arkansas be given 15 days to correct the service start date in the Form 486.

The facts as they relate to the issue of failure to file an appeal with the 60 day period of time are as follows:

Form 470 and Form 471 were appropriately filed with the correct information. Form 486 was filed on October 13, 2010 with a ministerial or clerical error relating to the start date. On October 27, 2010 the State of Arkansas received a Form 486 Notification Letter that repeated the ministerial or clerical error listing 07/01/2010 as the start date. There was no notice in that letter to indicate a problem of any kind. The October 27th notice did not contain a denial of any funding. The denial of funding came after the Form 472 (BEAR) was filed and the Schools and Libraries Division of USAC reviewed and responded on January 7, 2011 which was the first actual notice of a problem with the Form 486. Although the Bishop Perry Order dealt with forms 470 and 471, it is clear that the Order intended that the Commission may waive any provision of its rules for good cause shown. Also any rule may be waived based on particular facts that make strict compliance inconsistent with public policy. The Bishop Perry Order requires USAC to give a 15 day correction period for ministerial or clerical errors after notification of the error to the applicant. The State of Arkansas contends that the entry of the year 2010 as a start date in Form 486 was a ministerial or clerical error.

In this request for re-hearing, the State of Arkansas contends that the Form 486 be considered a procedural document instead of a substantive document such as the Form 470, Form 471 and Form 472. The Bishop Perry Order released May 19, 2006 reiterated the public policy of providing a method of funding where there are ministerial or clerical errors while at the same time protecting the integrity of the Universal Service Programs. It is a fundamental premise of American democracy that an entity be given notice before adverse action such as denying funds is taken.

The Form 472 (BEAR) Notification Letter denial of funding to the State of Arkansas Funding Request Number 1820367 was received on January 7, 2011. An appeal was filed on February 3, 2011 based on information contained in the January 7, 2011 letter. The appeal was submitted within the 60 day window allowed by the FCC rules. The USAC decision denying the appeal was received on February 15, 2011. The denial stated that the appeal was not submitted within 60 days of the October 27, 2010 Form 486 Notification Letter. The State of Arkansas submitted an appeal to the FCC on March 28, 2011. The appeal was denied on August 9, 2011. A review of the other 49 issues involved in DA 11-1240 reflects that the State of Arkansas circumstance are distinctly different from any other appeals and requests for waiver. From this denial the State of Arkansas respectfully requests a re-hearing and review of that decision.

It is the stated policy of the FCC that procedure not outweigh the context of the purposes of section 254. Specifically, section 254 directs the commission to enhance access to advanced telecommunications and information services for all elementary and secondary school classrooms. It would be extremely harsh for the FCC to deny the State of Arkansas \$402,046.47 because a procedural form had a minor error in it. This is indeed exactly what the Bishop Perry Order

intended to prevent. As a result the State of Arkansas respectfully requests a waiver of the late filing deadline, that the FCC require USAC to accept an amended Form 486, and that the Form 486 be filed within the fifteen day correction period.

If you have any questions, or if I may provide additional information, please do not hesitate to contact me at (501) 682-5148.

Sincerely,

Claire Bailey
