Dear Ms. Dortch:

On Wednesday, September 7, Robert Quinn and I of AT&T met with Zac Katz, Chief Counsel to Chairman Genachowski, and Sharon Gillett, Chief of the Wireline Competition Bureau. We discussed AT&T's support for the ABC plan and the joint framework for reform. In particular, we discussed the importance of maintaining the recommended budget for the high cost fund, the operation of the right-of-first-refusal in the ABC plan, and the enormous consumer welfare benefits that would follow from adoption of the ABC plan and the joint framework.

Pursuant to section 1.1206 of the Commission's rules, this letter is being filed electronically with the Commission. Please feel free to call me if you have any questions.

Sincerely,

/s/ Henry Hultquist
