Re: *Telecommunications Carriers Eligible to Receive Universal Service Support*, WC
Docket No. 09-197

Dear Ms. Dortch:

On Thursday, September 8, I spoke with Kim Scardino of the Telecommunications Access Policy Division of the Wireline Competition Bureau. I informed Ms. Scardino that i-wireless was willing to include five common wireless Lifeline providers whose brands did not reflect Lifeline service as part of its application certification. I also discussed the fact that i-wireless is or will be offering at least one Lifeline plan that provides 250 voice minutes of use per month. I also stated that i-wireless would appreciate prompt action with respect to its pending ETC applications, in addition to approval of its compliance plan.

Sincerely,

John T. Nakahata
Counsel to i-wireless, LLC.
