Re: Ex Parte Presentation in: WT Docket No. 07-293, WT Docket No. 10-112

Dear Ms. Dortch:

This letter provides notice that on September 12, 2011, Jennifer McCarthy of NextWave Wireless Inc. spoke telephonically with Linda Chang and Paul Moon of the Wireless Telecommunications Bureau (“the Bureau”) regarding the above captioned proceedings. NextWave provided an update on the challenges the WCS Coalition is facing in getting support from the vendor community to develop mobile broadband equipment for the U.S. market in light of the continued regulatory uncertainty and the unique and challenging technical requirements of the band.

Respectfully submitted,

/Jennifer M. McCarthy/
