Re: Docket Nos. 10-90, 09-51, 07-135, 05-337, 01-92, 96-45, 03-109

Dear Ms. Dortch:

On September 21, 2011, Christin McMeley, Vice President - Government Affairs and Chief Privacy Officer of Charter Communications, Inc., Patrick Webre, Senior Director and Senior Counsel - Government Affairs for Charter, Justin Lilley of TeleMedia Policy Corp., and the undersigned met with Christine Kurth of Commissioner McDowell's office regarding the above-referenced proceedings. In the meeting, Charter reiterated the views expressed in its comments – that the Commission's reform of intercarrier compensation should subject VoIP and circuit-switched traffic to the same rates during any transition. *See* Comments of Charter Communications Inc. to the Commission's Further Inquiry at 2-6 (filed Aug. 24, 2011); Reply Comments of Charter Communications Inc. to the Commission's Further Inquiry at 1-6 (filed Sept. 6, 2011). Charter explained that it is supportive of moving to a unified rate regime, and it urged the Commission to adopt the modified transition plan proposed in Charter's comments. *See* Charter Further Inquiry Comments at 3; Charter Further Inquiry Reply Comments at 6.

In accordance with §1.1206 of the Commission rules, one copy of this letter is being filed electronically via ECFS, and one delivered via email to Christine Kurth.

Sincerely,

*/s/ Samuel L. Feder*
