Re: *Ex parte meeting on CG Docket No. 10-213, CG Docket No. 11-47*

Dear Ms. Dortch:

On September 27, 2011, the Voice on the Net Coalition (VON), represented by VON Executive Director Glenn Richards, met with Jessica Almond, Amy Levine and Sherrese Smith, from the office of Chairman Genachowski, to discuss the Commission's implementation of the Twenty-First Century Communications and Video Accessibility Act of 2010. VON discussed its support for the items and addressed other issues raised in VON's filings in the above-referenced proceedings, including the impact on innovation if the Commission imposes TRS fees on bundled product or services that include the capability to provide non-interconnected VoIP.

Please contact me directly if you have any questions.

Sincerely,

/s/

Glenn S. Richards
Executive Director
