Dear Ms. Dortch:

On September 27, 2011, at the conclusion of another meeting that Google and representatives of RBA and the Nebraska Companies had with Ms. Sharon Gillett, Chief and Carol Matthey, Deputy Bureau Chief, of the Wireline Competition Bureau, I provided Ms. Gillett and Ms. Matthey two documents on behalf of the Nebraska Rural Independent Companies. The first document provides additional implementation details regarding the capital expenditure and operating expense caps that were recommended in the Nebraska Companies' Reply Comments to the Further Inquiry (see pages 5-11). The second document provides a revised regression analysis and a method for establishing a cap on operating expenses. I also provided Ms. Gillett, Ms. Matthey, and Ms Goodheart, via email on September 29, 2011, a copy of the Power Point presentation we used in our meeting with Commissioner Copps. All three of those documents are attached.

Sincerely,

Cheryl L. Parrino
