

please tell tnt not to cancel hawthorne replace the star. I wanted to be nurse after seeing diahann carroll in " julia" please give us family programming and long term marriages on television. ive been married 25 yrs. my sister 23yr and my mom 44 yrs. please tell ABC to return all the african american woman their husbands back. Why is it that there are no african american actors on prime shows anymore? please can you let lshia washington work on television again hes been blackballed from working on primetime television. please give us black men to love on television. there are 3 men for every 10 women if we can love in real life why can 't we love on them on television? can you tell other women to stop enjoying our black men in front of us if we can't love them. please rerelease ragtime with all the deleted scenes.
