Explanation of appeal (Supporting documentation is attached)

The technology coordinator (Don Snowberger) that filled out the Form 471 and Attachment 21 for Lakeview Local Schools has retired. I am the new Technology Coordinator for Lakeview Local Schools.

On July 12th, 2011, I received a fax from Jeff Barsky (973.581.7558) saying that FRN(s) 2193264 and 2193334 would not be funded. I immediately called Jeff and learned that our Attachment 21 was not received before May 17th. From notes in the USAC computer system, Jeff informed me of the following

- Don called USAC in regards to a letter from USAC (Item 21 Attachment Urgent Reminder Letter dated Apr 27, 2011) stating his Item 21 Attachment was not received.
- Don claimed he submitted electronically
- Don stated he would get a copy in the mail asap.
- USAC received this copy on May 21st – a few days after the deadline

I do not dispute the outline of events stated above. However I am claiming that USAC was sent a copy/copies of the electronically filed forms via the United States Postal Service. Delivery Confirmation follows:

Label/Receipt Number: EG57 9950 785U S

Status: Delivered

Your item was delivered at 10:09 am on March 23, 2011 in LAWRENCE, KS 66044.

The item was signed for by J CRUVER.

In Don's filing cabinet at Lakeview Local Schools, Don had the following items paper clipped together in a folder called eRate.

- Printout of Electronically filed 471 – dated March 21st and March 22nd from website www.slforms.universalservice.org/form471Expert
- Printout of Attachment 21 dated March 21st from website www.slforms.universalservice.org/Item21app (See Attachments Scan 1-4)
- Print out of Error on USAC's website referencing the submitting of Item 21 Application
- Mailing Label showing correspondence from Don to SLD Forms Lawrence, Kansas (See attachment Express Mail Tag)
- Post Office Receipt for mailing dated March 22, 2011. (See attachment Post Office Receipt)

It seems evident to me that Don filled out the Item 21 before the deadline. He attempted to submit it electronically and it would seem the USAC server returned an error. (This assumption is based on the attached error) He then sent the Item 21 through the United States Postal Service (possibly included in the March 22nd mailing but definitely in May. I understand it was late in May. However if there had not been issues with the electronic submission, there would not have been a need for a 'snail' mail submission.

The denial of Funding Request 2193264 and 2193334 in the total amount of \$33,251.32 is harsh considering I have documentation that the form was filled out in March. Don did not forget or dismiss the problem. There was clearly an electronic glitch. I am brand new to this position and would appreciate any leniency at this time. If you have any questions about this appeal, I would be happy to discuss them with you.

Respectfully submitted,
Lisa Collins

Re: Applicant Name: LAKEVIEW LOCAL SCHOOLS
Billed Entity Number: 129588
Form 471 Application Number: 801596
Funding Request Number(s): 2193264, 2193334
Your Correspondence Received: July 22, 2011

After thorough review and investigation of all relevant facts, the Schools and Libraries Division (SLD) of the Universal Service Administrative Company (USAC) has made its decision in regard to your appeal of USAC's Funding Year 2011 Funding Commitment Decision Letter for the Application Number indicated above. This letter explains the basis of USAC's decision. The date of this letter begins the 60 day time period for appealing this decision to the Federal Communications Commission (FCC). If your Letter of Appeal included more than one Application Number, please note that you will receive a separate letter for each application.

Funding Request Number(s): 2193264, 2193334
Decision on Appeal: **Denied**
Explanation:

- USAC denied your funding requests because it was determined that your Item 21 Attachment was not received on or before the filing deadline of May 17, 2011. USAC received only the Form 471 certification with the Express Mail (Tracking number EG57 9950 785U S) dated March 22, 2011. No item 21 attachment documentation was received along with this mail. Program rules require that Form 471, including certification and Item 21 Attachments must be received or postmarked by the close of the FCC Form 471 application filing window. On April 27, 2011, USAC sent urgent reminder notice and informed you that your Item 21 Attachment was missing and allowed you until May 17, 2011 to submit the Item 21 Attachment. You were also notified that the funding requests missing the item 21 attachments may be denied. You have failed to demonstrate that your

B1

Item 21 Attachment was submitted by the due date for item 21 attachment submission. Consequently, your appeal is denied.

- The FCC requires completed FCC Form 471 applications and certifications to be postmarked by the final date of the filing window for the relevant funding year for the application in order to be considered timely filed. *See Request for Review by Alpine County Unified School District, et al., Federal-State Joint Board on Universal Service, Changes to the Board of Directors of the National Exchange Carrier Association, Inc., File no. NEC.471.01-24-00.5400004, CC Docket Nos. 96-45 and 97-21, Order, DA 02-75 paras. 2 and 4 (rel. Jan. 14, 2002).* Further, the applicants must submit Item 21 Attachments to their FCC Forms 471 before the filing window deadline or their applications will be considered out of window. *See In the Matter of Schools and Libraries Universal Service Support Mechanism, CC Docket No. 02-6, Order, DA 11-88 para. 4 (rel. Jan. 14, 2011).* Beginning with funding year 2011, when USAC determines that an application lacks an Item 21 Attachment, USAC will treat the missing Attachment as it treats a missing certification. USAC will inform the applicant promptly in writing of the omission and give it 15 calendar days from receipt of that notice to submit the missing Item 21 Attachments. If applicants do not provide timely responses to USAC requests for omitted Item 21 Attachments, USAC should treat the associated applications as out of window for the purposes of meeting the filing window deadline. *See id., para.5.*

If your appeal has been approved, but funding has been reduced or denied, you may appeal these decisions to either USAC or the FCC. For appeals that have been denied in full, partially approved, dismissed, or canceled, you may file an appeal with the FCC. You should refer to CC Docket No. 02-6 on the first page of your appeal to the FCC. Your appeal must be received or postmarked within 60 days of the date on this letter. Failure to meet this requirement will result in automatic dismissal of your appeal. If you are submitting your appeal via United States Postal Service, send to: FCC, Office of the Secretary, 445 12th Street SW, Washington, DC 20554. Further information and options for filing an appeal directly with the FCC can be found in the "Appeals Procedure" posted in the Reference Area of the SLD section of the USAC website or by contacting the Client Service Bureau. We strongly recommend that you use the electronic filing options.

We thank you for your continued support, patience and cooperation during the appeal process.

Please refer to the Report following this letter for specific funding request decisions and explanations. The Universal Service Administrative Company (USAC) is also sending this information to your service provider(s) so preparations can begin for implementing your approved discount(s) after you file FCC Form 486, Receipt of Service Confirmation Form. You have not submitted documentation that proves timely submission of your Item 21 attachment. FCC Forms 471 meeting these requirements have priority over those postmarked after the filing deadline.
