Essex Telecom Inc. to JAB Wireless, Inc., WC Docket 11-132***

Dear Ms. Dortch:

This correspondence will serve to provide notice of the consummation of the transaction between Essex Telecom, Inc., Licensee (“Essex Telecom”), and JAB Wireless, Inc., Transferee (“JAB Wireless”), as approved by the Commission in WC Docket 11-132, Public Notice, DA 11-1574 (rel. Sept. 19, 2011).

Following the consummation of the transaction the transferee, JAB Wireless, engaged in a *pro forma* transaction to reorganize certain wholly-owned subsidiaries involved in this transaction. Specifically, the entity acquired through this transaction, Essex Telecom, was reorganized as a direct wholly owned subsidiary of Skybeam-Essex, Inc., and an indirect wholly owned subsidiary of Transferee JAB Wireless.

This organizational change produced a corporate structure that differs slightly from that which was described in the parties’ domestic 214 transfer of control application. In the application the parties stated that Essex Telecom would ***merge into*** Skybeam-Essex, Inc. However, following the *pro forma* reorganization Essex Telecom was established as a direct wholly owned subsidiary of Skybeam-Essex, Inc. Thus, Essex Telecom is now a direct wholly owned subsidiary of Skybeam-Essex, and an indirect wholly owned subsidiary of JAB Wireless (the Transferee).

Please note that this *pro forma* reorganization did not result in any change in the ultimate ownership of Transferee JAB Wireless, and the parties believe this reorganization is not a material change from the transaction described in the parties’ original application.
