Re: *Supplement to Section 63.71 Application of ACN Communication Services, Inc. to Discontinue Service*

Dear Ms. Dortch:

ACN Communication Services, Inc. ("ACN") filed a Section 63.71 Application on October 11, 2011, to discontinue calling card services. In its Application, ACN requested authorization to "discontinue its provision of calling card telecommunications services (including intrastate, interstate and international) to end-user customers throughout the United States." Please accept this letter, submitted on behalf of ACN, as a supplement to its initial Application. ACN is not certificated as a telecommunications carrier in Alaska and does not provide telecommunications service to customers in that state. Accordingly, it did not send a copy of its Application to the Regulatory Commission of Alaska or to the Alaska Governor's office.

Any questions you may have pertaining to this filing may be directed to me at (407) 740-3031 or via email at sthomas@tminc.com.

Sincerely,

/s/ Sharon Thomas
