Re: *Applications of AT&T Inc. and Deutsche Telekom AG for Consent to Assign or Transfer Control of Licenses and Authorizations*, WT Docket No. 11-65
Ex Parte Presentation

Dear Ms. Dortch:

Although AT&T has attempted to justify its takeover of T-Mobile by arguing, *inter alia*, that it does not compete with T-Mobile, its own documents, some of which are summarized in the attached chart, demonstrate that it does.

In accordance with the FCC's rules, 47 C.F.R. § 1.1206(b), the redacted version of this *ex parte* is being electronically filed in the above-referenced proceeding. Pursuant to the Second Protective Order in the above-referenced proceeding, 26 FCC Rcd 8801, the highly confidential version is being filed with the FCC Secretary's Office under seal, and two copies are being hand delivered to Kathy Harris of the Wireless Telecommunications Bureau.

Respectfully submitted,

/s/ Regina M. Keeney
