Re: *Ex Parte*, WT Docket No. 10-4

Dear Ms. Dortch:

This is to inform you that earlier today, Lloyd Meese, President and CEO, and Michael Rodgers, Founder and CTO, of Wireless Extenders, Inc. ("Wi-Ex") and the undersigned spoke via telephone with Roger Noel, Joyce Jones, and Becky Schwartz of the Wireless Telecommunications Bureau.

The purpose of the conversation was to discuss the status of the above-captioned signal booster proceeding, including industry efforts at arriving at a consensus regarding technical protections to ensure that consumers have access to non-interfering signal boosters to enhance their wireless experience. We discussed Wi-Ex's view of the joint proposal from Verizon Wireless and Wilson Electronics, Inc. submitted in the above-captioned proceeding. The views expressed during the call were those set forth in Wi-Ex's reply comments in the above-captioned proceeding filed on August 24, 2011 (pp. 3-4).

Please direct any questions regarding this matter to the undersigned.

Respectfully,
