**Re: WT Docket no. 06-136**  
**Self-Transition Notice**  
**Waiver of Section 27.1236**  
Scott County Central Schools  
**Call Sign WLX380, BTA Number 066, Cape Girardeau – Sikeston, Missouri**

Dear Ms. Dortch:

Scott County Central Schools, licensee of EBS station WLX380, submits this letter to provide notice of the licensee's intent to self-transition the station to the "New Band Plan," and request such waivers of Section 27.1236 of the Commission's rules as are necessary.

Station WLX380 is located in the Cape Girardeau – Sikeston, Missouri BTA, BTA Number 066. Accordingly, its geographic service area reference point is located in that BTA. The Scott County Central Schools district serves 371 students and 45 certified staff. The licensee seeks to self-transition to the New Band Plan, modify the facilities and meet the substantial service requirement by November 1, 2011. The licensee respectfully requests waiver of the April 21, 2009 and October 20, 2010 filing dates in Section 27.1236 to permit the station to complete these actions and facilitate the transition of the 2500-2690 MHz Band to the benefit of the students and the public in rural Scott County.

A Self-Transition Notification containing the information required by Section 27.1236(c) of the Commission's rules will be sent to the other licensees in the Cape Girardeau – Sikeston, Missouri and to those licensees whose geographic service areas overlap the boundary associated with WLX380. Any potential interference discovered in the transition process will be coordinated with affected licensees. An application for modification of the WLX380 license to specify the New Band Plan is being simultaneously submitted.

Please date stamp the attached receipt copy. Should any questions arise concerning this submission, please contact the undersigned.

Very truly yours,
