Re: *Special Access for Price Cap Local Exchange Carriers*, WC Dkt. No. 05-25;
*AT&T Corp. Petition for Rulemaking to Reform Regulation of Incumbent Local
Exchange Carrier Rates for Interstate Special Access Services*, RM-10593

Dear Ms. Dortch:

Frontier Communications hereby submits its response to the Commission's second *Special Access* data request.¹ The attached statements and accompanying CD contain confidential data that responds to the questions posed by the request.

The information submitted contains highly-detailed rates or charges associated with channel terminations or transport facilities, and information from which, whether alone or in combination with other confidential or nonconfidential information, such rates or charges could be inferred. Accordingly, Frontier requests highly confidential treatment of this submission, pursuant to the Second Protective Order in the above dockets.² Frontier has marked the confidential version of its submission "**HIGHLY CONFIDENTIAL INFORMATION-SUBJECT TO SECOND PROTECTIVE ORDER IN WC DOCKET NO. 05-25, RM-10593, before the Federal Communications Commission.**" Two copies of the non-redacted version are being delivered to Andrew Multz of the Federal Communications Commission's Wireline Competition Bureau. Frontier is filing two copies of the redacted version of its submission with the Secretary under separate cover. The redacted version is marked "**REDACTED—FOR PUBLIC INSPECTION**".

If you have any questions, please do not hesitate to contact the undersigned.

Respectfully submitted,

¹ Competition Data Requested in *Special Access NPRM, Public Notice*, WC Dt. No. 05-25; RM-10593, DA 11-1576 (rel. Sept. 19, 2011).

Re: **Competition Data Requested in *Special Access* NPRM; WC Dkt. No. 05-25; RM-10593**

Dear Ms. Dortch:

Frontier Communications (“Frontier”) hereby provides the following narrative to better describe its responses to the Federal Communications Commission’s Special Access Data request.¹

As the Commission is aware, Frontier completed its acquisition of 4.8 million access lines from Verizon on July 1, 2010; Frontier began servicing the special access customers in those areas at the same time. **[BEGIN REDACTED]**
