RE: Appeal Letter – CCD Docket No. 02-6

Re: Funding Commitment Decision Letter dated September 21, 2011  
Funding Year 2010  
FRN 1968499, 1968521, 1968533, 1968545, 1968556

Our Funding Commitment stated that our discount was reduced from 90% to 80%.  
On our Form 471, in Block 4, we indicated that we were using an alternate discount mechanism.  
Because, although our school does have a lunch program, many students choose not to participate in the school lunch program. This, in effect, causes the income eligibility of our school to be inaccurately portrayed through the lunch program method; therefore, we conducted an eligibility survey. These are the results of the survey:

Number of surveys distributed:	106
Number of surveys returned:	69
Number of eligible response:	62

As can be seen from the responses received, 69% of our students are income - eligible; this puts Yeshiva RLKTI in the 90% funding bracket.

Please reconsider the adjustment of our discount percentage back to 90%.

Please feel free to contact me by fax at 718-217-8739 for any additional information.
