Re: National Exchange Carrier Association, Inc.
2012 Modification of Average Schedules, WC Docket No. 11-204

Dear Ms. Dortch:

Attached is NECA's *2012 Modification of Average Schedules*. This filing is made in compliance with section 69.606 of the Commission's rules, 47 C.F.R. § 69.606, and contains proposed revisions to formulas used for average schedule interstate settlement disbursements. These average schedule formula revisions are proposed to become effective for a one-year period beginning on July 1, 2012.

In accordance with the Commission's rules, this *2012 Modification of Average Schedules* has been filed electronically in the above-referenced docket.

Also, NECA is simultaneously delivering to the Commission a PC compact disk that includes the Appendices to the *2012 Modification of Average Schedules* in Microsoft-Excel format. This information is identical to that electronically filed with the Commission in Portable Document Format (PDF) in the above-captioned matter. In addition, to further support evaluation of changes proposed in this filing, by Commission staff and the public, NECA has also included on the compact disk supporting "revenue requirements" data files. Together, these files provide all of the data used by NECA to compute the proposed formulas.

If you have questions regarding the content of these files, please contact Mr. Steve Quinnan, Director, Average Schedules, at 973-884-8099.

Sincerely,

Attachment:
