

Is this where i come to gloat? I thank the FCC and the DOJ for giving ATT the smackdown!!!!No more ATT commercials saying " now with tmobile" was making me sick. No more of the ATT BORG saying "resistance is futile" Or Agent Smith(att) running after Neo(tmobile) to put him in the matrix. I enjoy watching dorothy dacne and sing" ding dong the witch is dead. as the the fcc house fell on the ATT witch !!! It was fun seeing the deathstar implode!

I can go on and on but i wouldn't.

What i will say is THANK YOU thank you thank you for stopping mumm-ra and ma mutt(att) from getting the cats lair(Tmobile) !!!!
