In order to comprehensively reform and modernize the Universal Service Fund's Lifeline Program, on March 4, 2011, the Commission released the *Lifeline and Link Up Reform and Modernization Notice of Proposed Rulemaking (Lifeline and Link Up NPRM)*.¹ The NPRM sought public comment on reforms to strengthen protections against waste, fraud, and abuse; improve program administration and accountability; and improve enrollment and outreach efforts.

In this letter, the Bureau provides a list of publicly available information it may consider as part of this proceeding. Please enter the attached appendix into the Record.

Sincerely,

Patrick Halley
Legal Counsel
