Re: PS Docket No. 07-114
E911 Location Accuracy Exclusion Report
Corr Wireless Communications, L.L.C.

Dear Mr. Barnett:

On behalf of Corr Wireless Communications, L.L.C. ("Corr Wireless") submitted herewith is the wireless carrier's updated E911 Location Accuracy Exclusion Report, pursuant to FCC Rule Section 20.18(h)(1)(vi) for carriers using network-based technologies. The Exclusion Report lists counties in which triangulation of the geographical position of a 911 emergency call is not technically possible because of insufficient quantity, density and/or geometry of cell sites to support network-based triangulation that meets the accuracy standards.

Should any questions arise with respect to this matter, please communicate directly with this office.

Very truly yours,

Pamela L. Gist
