Re: *Ex Parte Notice: In the Matter of Applications of Cellco Partnership d/b/a Verizon Wireless and SpectrumCo LLC For Consent To Assign Licenses, WT Docket No. 12-4*

Dear Ms. Dortch:

On January 18, 2012, Kyle McSlarrow and I met with Commissioner Robert McDowell and Angela Giancarlo, Chief of Staff & Senior Legal Advisor, Wireless & International, to discuss issues related to the above-referenced proceeding. During the meeting, we reviewed the transaction and discussed why the spectrum transfer was in the public interest.¹ We also described Comcast's and SpectrumCo's efforts to analyze, test, and develop SpectrumCo's AWS spectrum, as outlined in the Public Interest Statement² and accompanying Declaration of Robert Pick³ that were filed with the application in this proceeding.

Please contact me if you have any questions regarding this matter.

Respectfully submitted,

/s/ Kathryn A. Zachem
