IV. The station provided the following **optional information** for the quarterly reporting period:

- On August 1, 20XX, which fell outside the Random Sample Week, WXXX aired a special one hour block of programming from 7-8:00 pm, Central time covering the impact of severe storms on communities in the station’s broadcast area.
- For a six week period during the quarter, WXXX conducted a back-to-school used clothing drive. The station promoted the drive in various ways over the air, identified needy families, collected donated clothing at various locations, and distributed the items to the families.
- The Random Sample Week was atypical because it overlapped with emergency coverage of forest fires in the region. WXXX aired the following News Programming and Local News Programming Plus Other Programming of Interest To Local Communities on the following week beginning July 8, 20XX, and ending July 14, 20XX:
